

Lady Ramirez she wolf of the Seven Seas

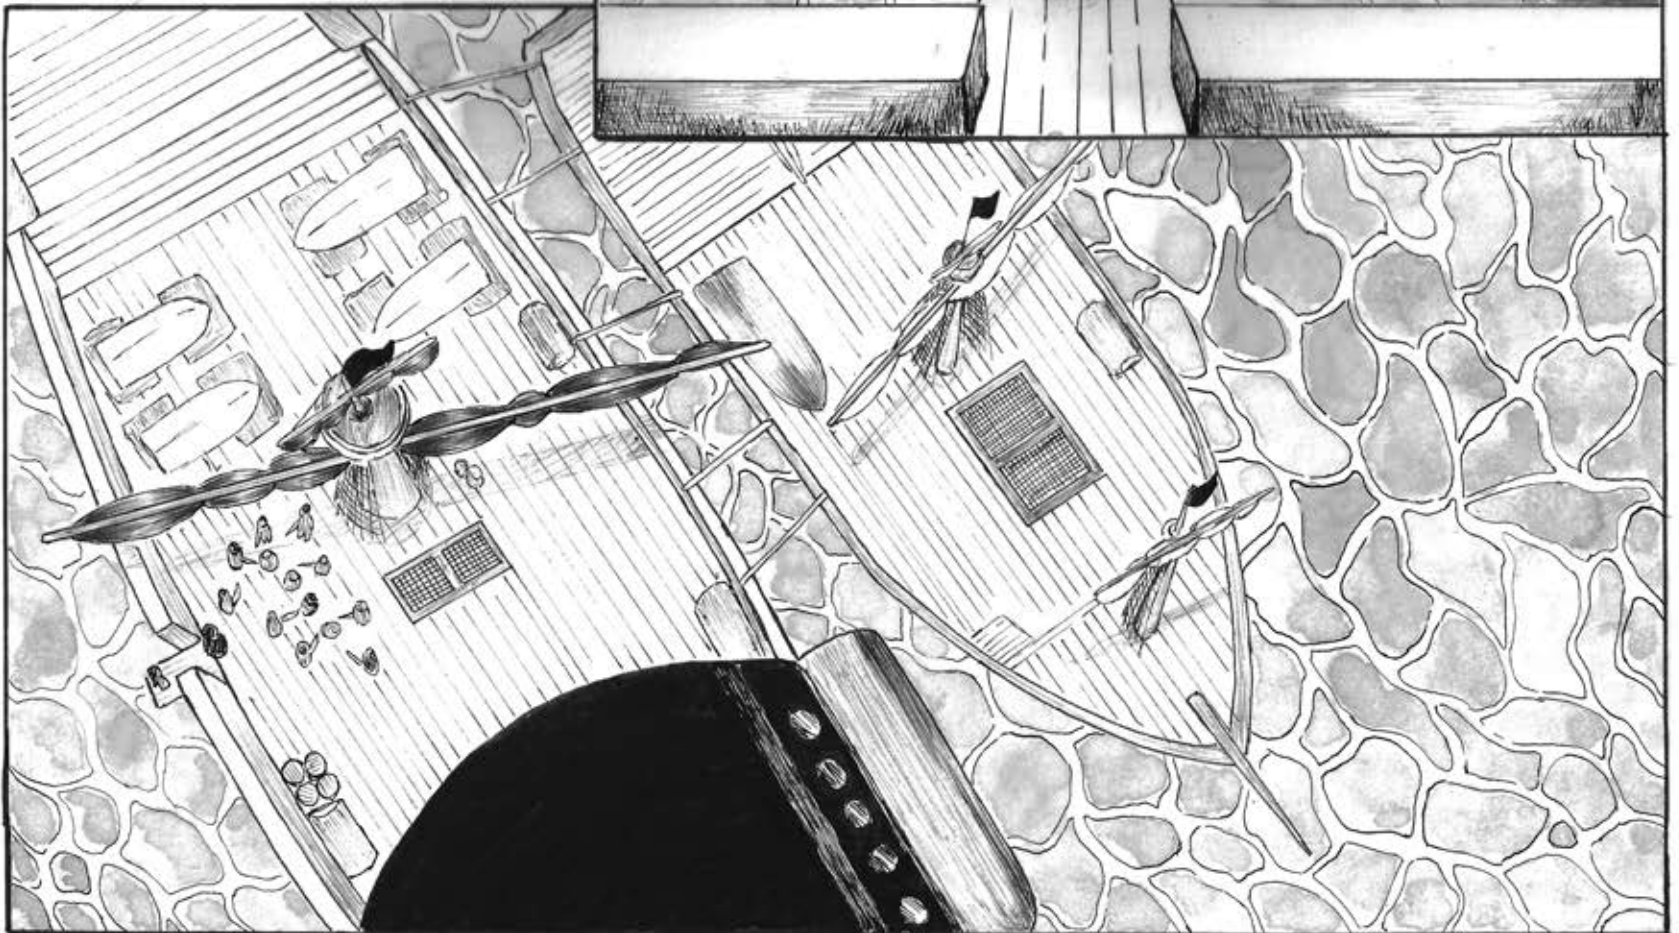

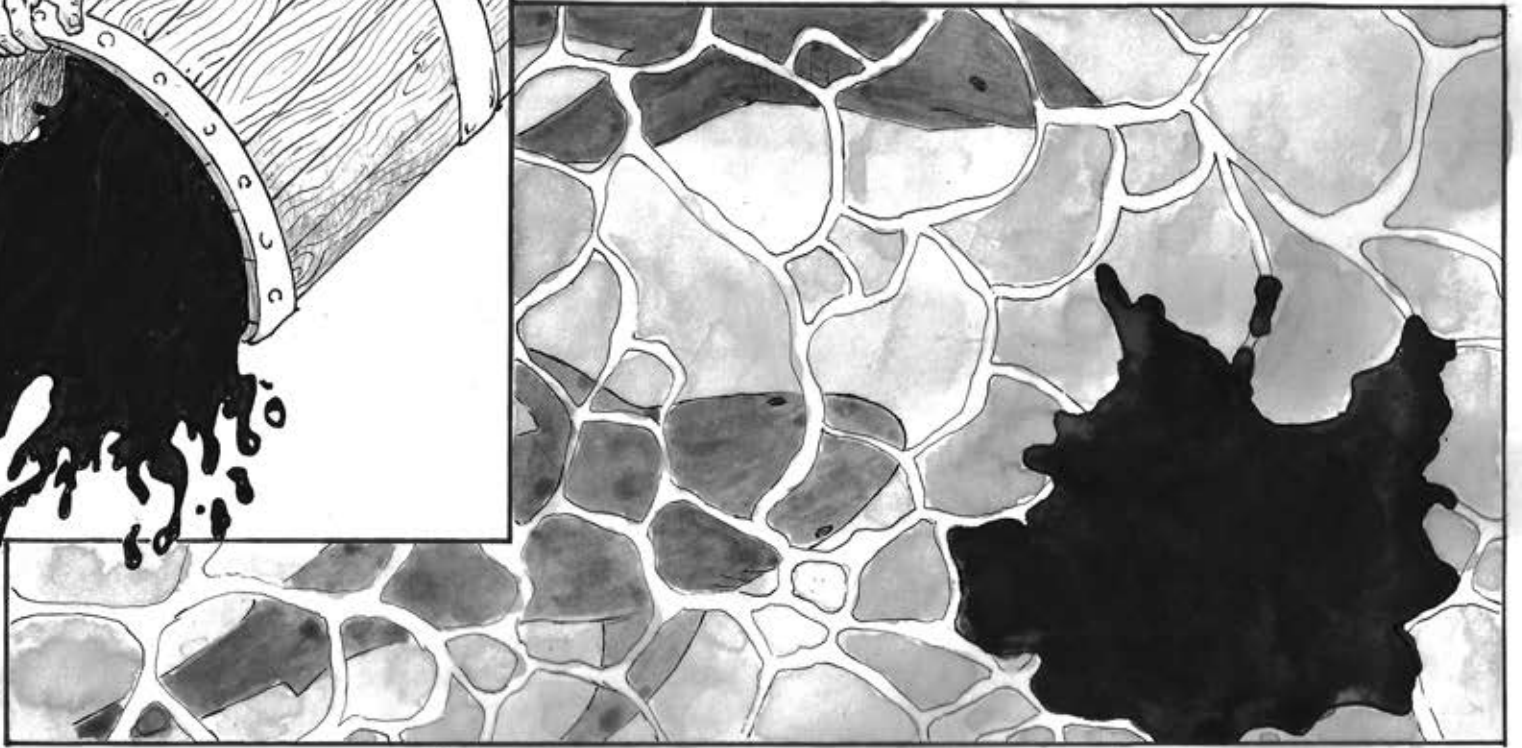

To walk the plank of death means freedom

Are you ready  
to reconsider  
my offer now  
She Wolf?

AHHAHA  
AHHAHA

I'd  
rather be  
wed to  
the beasts  
below  
than you!

I am being very  
generous.  
You will be  
Co-Captain  
and your crew  
will be  
spared.

True  
but with  
my order  
they will let  
them live on.

Save the lies.  
Your men are ready  
to ravage my women.

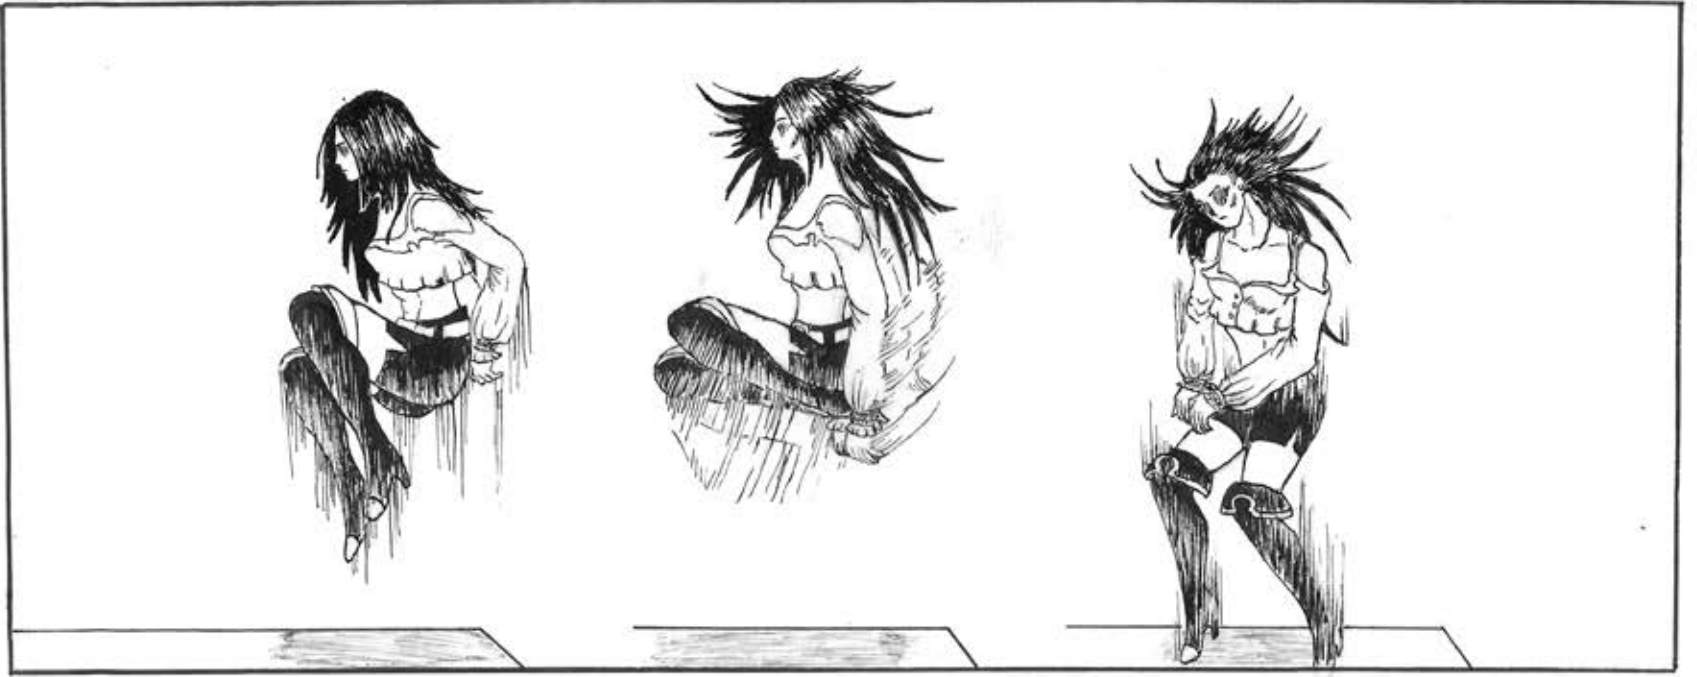

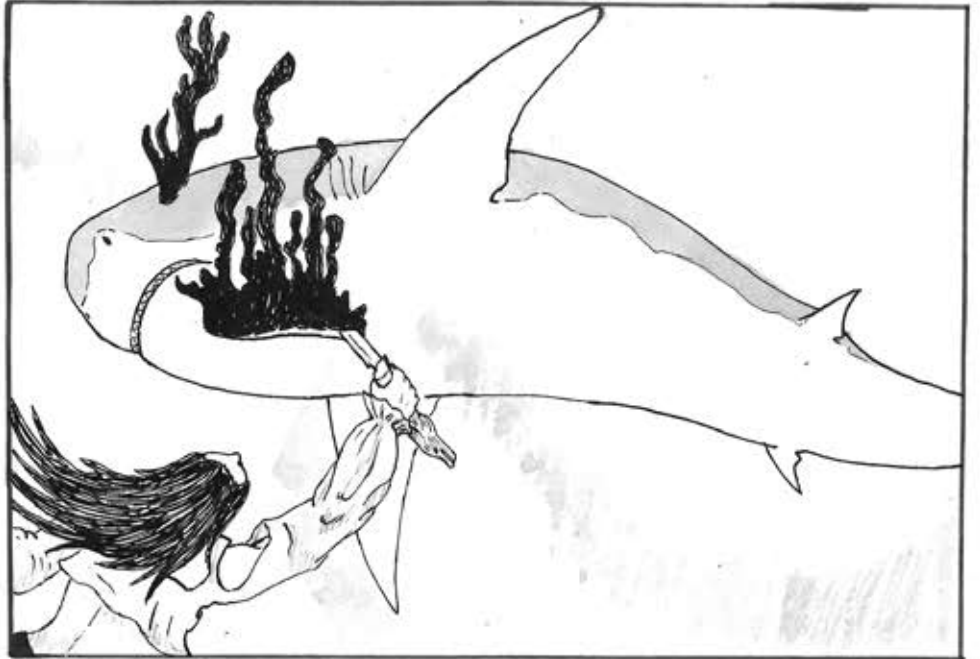

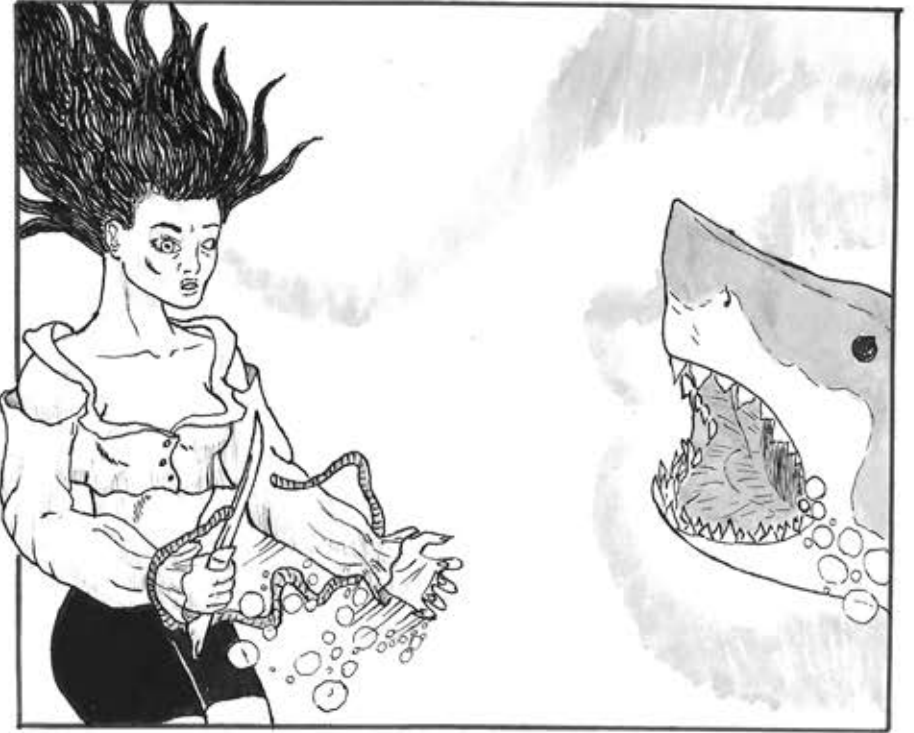

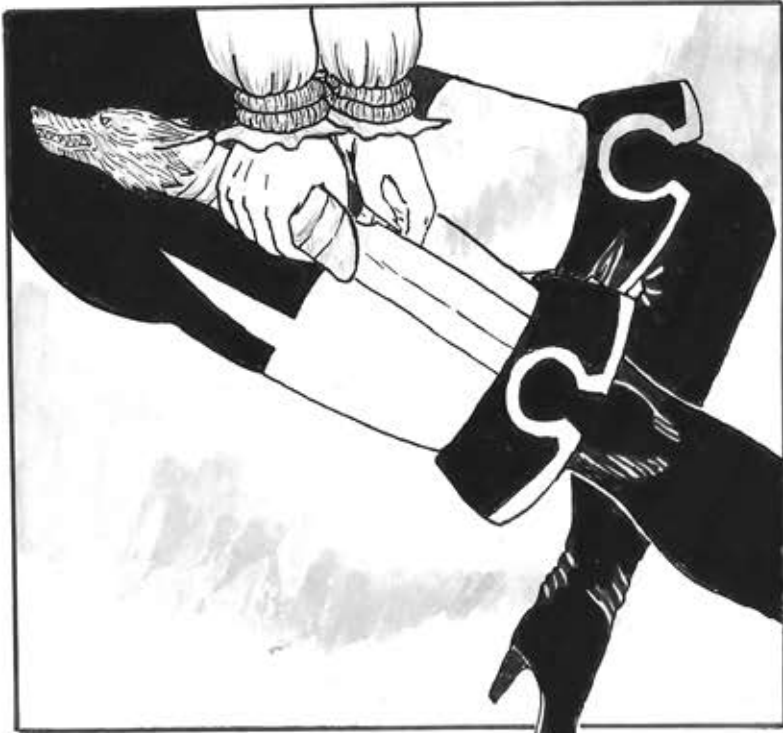

My crew is a  
proud one.  
We would rather  
kill ourselves than  
have your men  
lay your filthy  
hands on us!

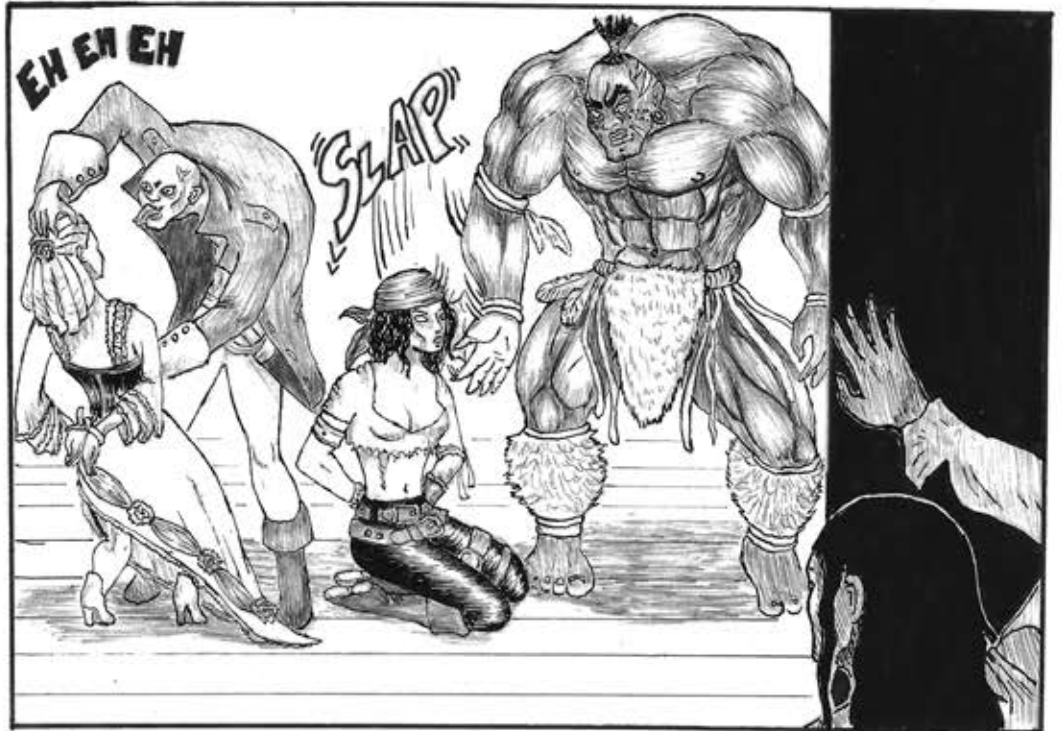

Your crew  
is helpless  
and you are  
going to  
be shark  
food!

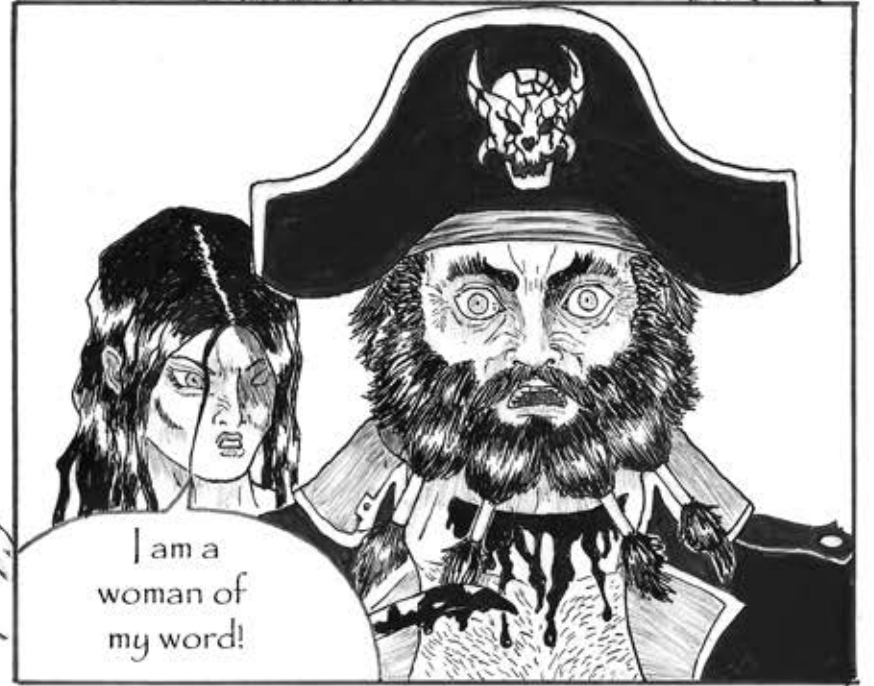

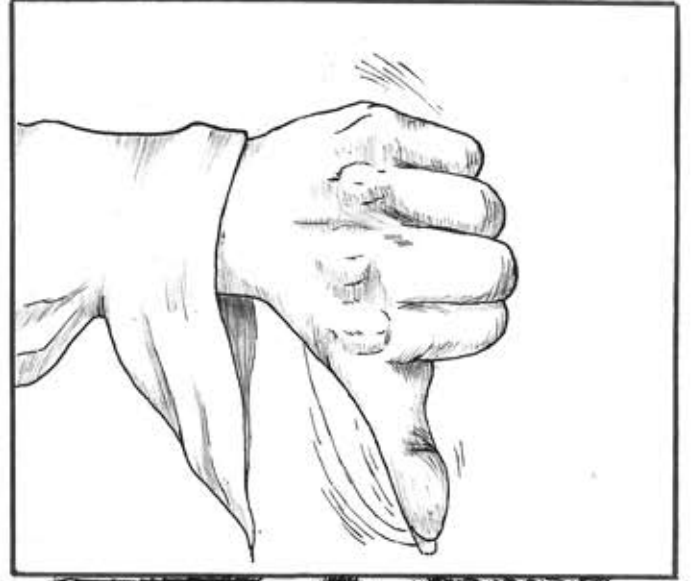

Hear me now  
Captain Ron!  
Set my women  
free or by  
Holy Yemanja  
who rules these  
seas, I swear  
I will slice  
your throat  
before the  
day is done!

**THE  
CAPTAIN'S  
DEAD!!**

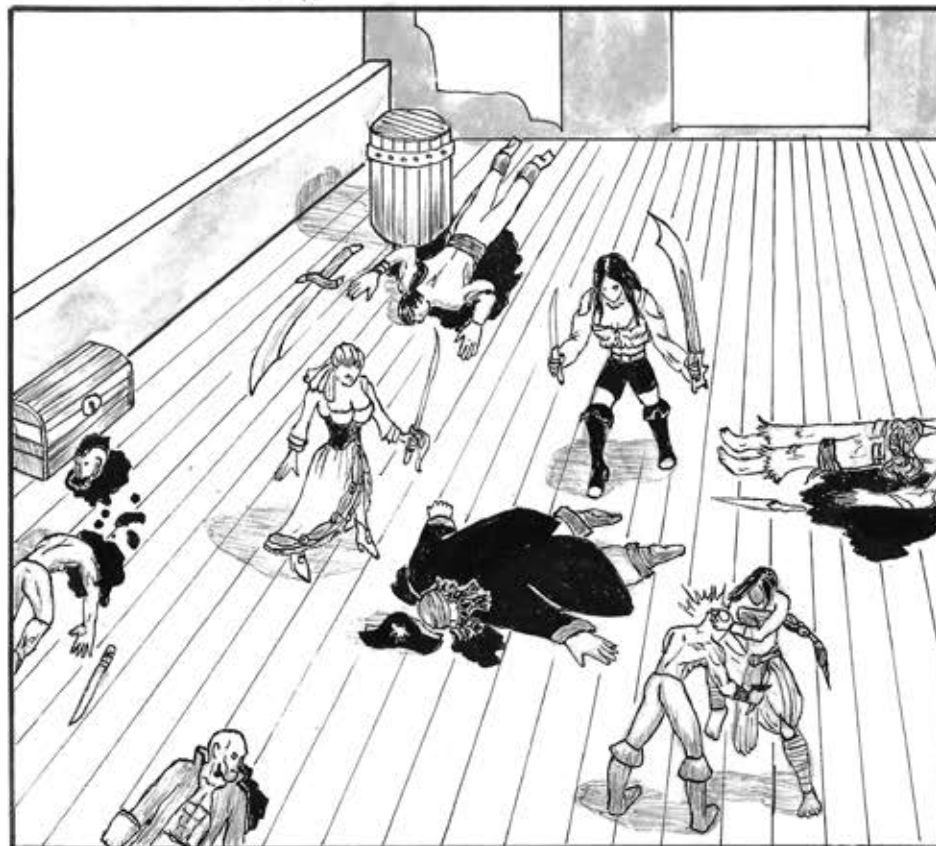

**SLAUGHTER  
THEM ALL  
MAKE THEM  
PRAY FOR THE  
SWEET  
RELEASE  
OF  
DEATH!**

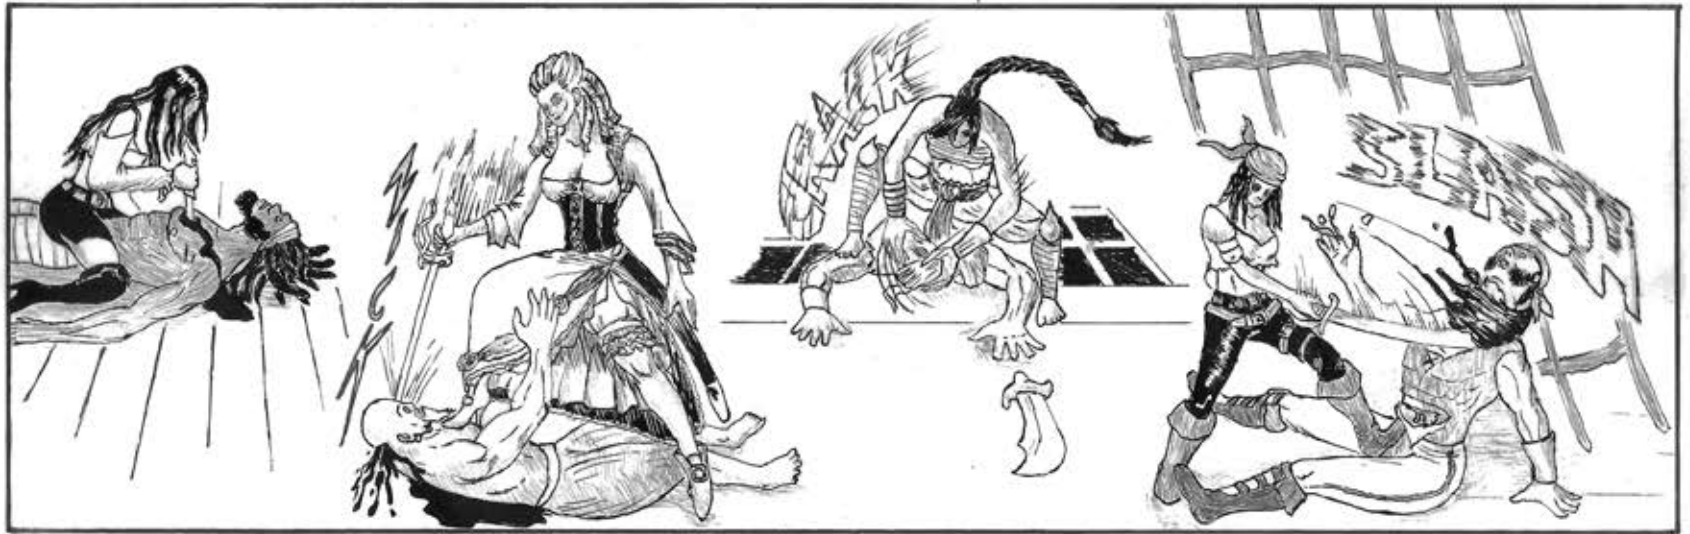

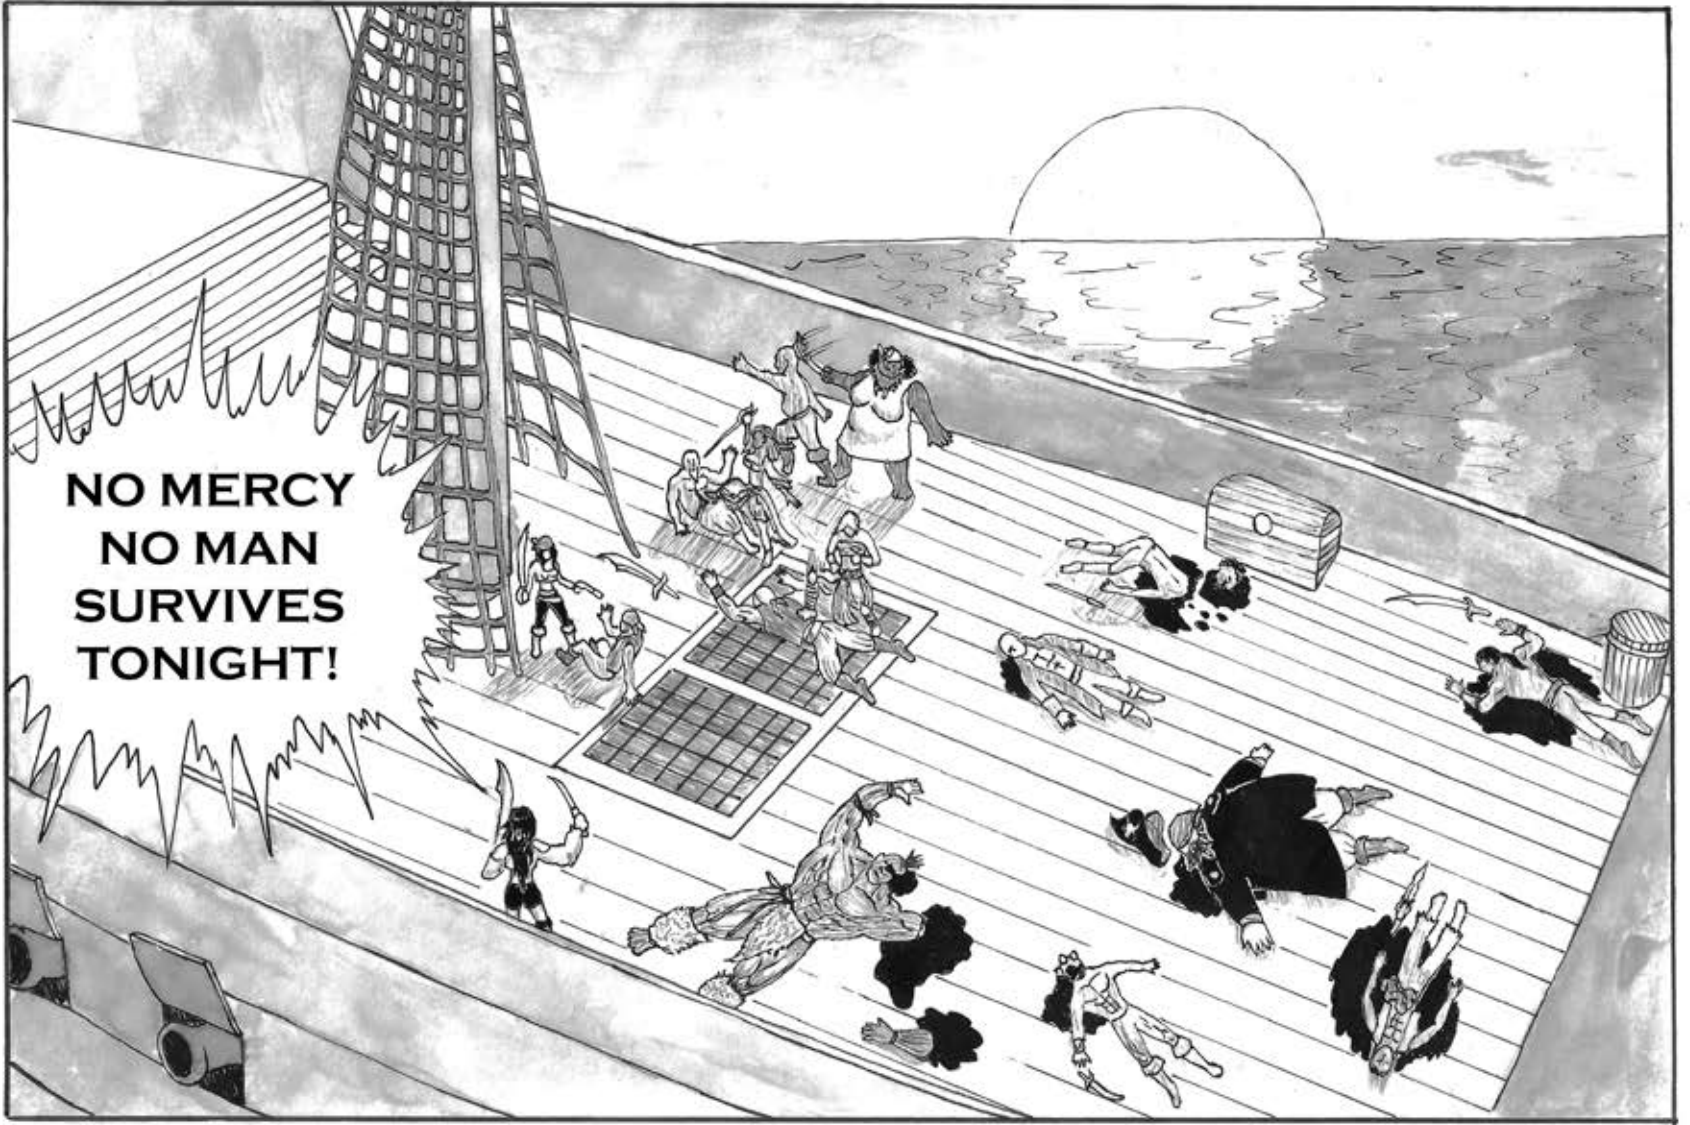

**YAAAH**

**CRACK**

*The End*
